Re: Application of Palo Duro Company, Inc. DBA Trinity River Estates and the City of Hudson Oaks for Sale, Transfer, or Merger of Facilities and Certificate of Convenience in Parker County, Texas

Docket No. 54429

Dear PUC Filing Clerk:

Per Order No. 12, in the above referenced matter, the City of Hudson Oaks provides the following response to the request for an update and clarification for the improvements to increase pressure tank capacity and storage tank capacity to resolve the alleged violations resulting from the June 14, 2022 inspection.

The City of Hudson Oaks has authorized the purchase of both a new pressure tank and a new ground storage tank.

The City of Hudson Oaks has retained the services of a Texas PE to submit the required plans and specifications to the TCEQ for both the new pressure tank and storage tank which will exceed the State of Texas Rules and Regulations for small public water systems.

If you require any additional information, please let me know. Thank you in advance for your time and attention.

Sincerely,

  
Sterling Naron
