Re: Project No. 54439, *CY 2023 Retail Performance Measure Reports Pursuant to 16  
TAC 25.88*

Dear Filing Clerk:

Please accept for filing in the above-referenced proceeding the performance measures report of Ammper Power LLC ("Ammper") for the *second* quarter of 2023. The measures required for retail electric providers ("REPs") are:

Measure A-1	Customers served by REPs
Measure C	Technical Field Performance

Attached is the required report attestation, which is being filed publicly. Ammper is also submitting confidentially and under seal the information for the measures set forth above and the required analysis thereof, which discusses and reveals that information. That information and analysis are being submitted as confidential documents pursuant to 16 Tex. Admin Code § 22.71. Ammper notes that in connection with Measure A-1, which requires it to file both paper and electronic copies of its DOE EIA reports, Ammper considers these reports to constitute confidential information and has submitted these reports electronically only through the interchange's new confidential submission process.

Thank you for your attention in this matter.

Very truly yours,

Chris Reeder
