RE: Request to Void Item #1119 In Control #54440 Registration for Fairway

To whom it may concern:

Our company, Conservice LLC, serves as the utility billing provider for Fairway, upon whose behalf and authorization we send this letter. A registration form for this property has been submitted incorrectly to Texas PUC on September 6, 2023. The registration should have been filed confidentially and was not. The registration has been resubmitted correctly.

For that reason, we wanted to submit a formal request to remove or void the item #1119 in control #54440.

Should you require any additional information, please do not hesitate to contact me directly.

Sincerely,
