RE: Request to Void Registration for Walden Square S9287

To whom it may concern:

Our company, Conservice LLC, serves as the utility billing provider for Walden Square, upon whose behalf and authorization we send this letter. At the time we received this client, we found the property was registered with Texas PUC. However, this property is actually a subdivision of single-family homes.

For that reason, we wanted to submit a formal request to remove or void the record from the registrations as it is not required for single family homes. We want to ensure there is no need to update this record in the future.

Should you require and additional information in making your determination please do not hesitate to contact me directly.

Sincerely,

Bret R. James
