Letter of Explanation

Re: Control Number 54440

To Whom It May Concern:

On January 23, 2023, I registered our property, CAF Citymark Lyndon Owner LLC, with the PUC as submetered utility billing in error. I was registering several properties on that date and failed to change this property to allocation billing on the form I submitted.

On March 17, 2023, I realized my mistake and reregistered the property with the PUC as allocation billing. Because of the mistake, the property was changed to submetered billing in January, and we need it to be corrected as the property is on allocation billing. This was simply a mistake on my part.

Please let me know if there is anything I need to do or provide to make this correction.

Thank you,
