RE: Request to Void Registration for The Gallery at Edinburgh S3060

To whom it may concern:

Our company, Conservice LLC, serves as the utility billing provider for The Gallery at Edinburgh, upon whose behalf and authorization we send this letter. A registration form for this property has been wrongly submitted to Texas PUC. The Gallery at Edinburgh is a community of single-family units.

For that reason, we wanted to submit a formal request to remove or void the record from the registrations as it is not required for single-family units, and we want to ensure there is no need to update this record in the future.

Should you require any additional information in making your determination please do not hesitate to contact me directly.

Sincerely,

Bret R. James
