RE: PUC Project No. 54443 – TriEagle Energy’s 2023 Semi-Annual Report

To Whom It May Concern:

TriEagle Energy LP (TriEagle) (REP Certificate No. 10064) hereby files its semi-annual report for 2023.

As allowed by 16 Tex. Admin. Code (TAC) § 25.107(i)(5)(C), TriEagle is providing the following link to the consolidated, unaudited financial statements of its parent company (Vistra Corp.) for the six-month period ending June 30, 2023 (which were filed with the Securities and Exchange Commission (SEC)):

TriEagle is also providing the following link to the audited, consolidated financial statements of Vistra Corp. for the twelve-month period ending December 31, 2022 (which were also filed with the SEC):

<https://app.quotemedia.com/data/downloadFiling?webmasterId=101533&ref=117298855&type=HTML&symbol=VST&companyName=Vistra+Corp.&formType=10-K&dateFiled=2023-03-01&CK=1692819>

In addition, TriEagle is filing an affidavit with information regarding its compliance with 16 TAC § 25.107(f). TriEagle contends that the affidavit contains confidential information, which is exempt from disclosure to the public under Sections 552.101 and 552.110 of the Texas Government Code. The affidavit contains commercial and financial trade secret information about TriEagle’s business that, if disclosed to competitors, would cause substantial harm to TriEagle and disadvantage it with respect to its competitors. TriEagle is therefore filing the affidavit under seal and requests that it be maintained as confidential in the Commission’s files.
