RE: Project No. 54443 *Annual Report of Texpo Power, LP, PUCT Certificate No. 10126*
pursuant to PUC SUBST. R. 25.107(i)(5)(A)(vii)

Dear Sir or Madam:

Please accept for filing Texpo Power, LP's ("Texpo") documentation in response to the Annual Report requirements provided for in PUC SUBST. R. 25.107(i)(5)(A)(vii), along with Ms. Jane Thompson's Affidavit regarding the same for filing in the above referenced docket and pursuant to PUC SUBST. R. 25.107(i)(5)(A)(vii), which requires documentation to demonstrate ongoing compliance with such section.

Along with its filing and Affidavit, Texpo is also submitting confidentially and under seal Attachments, which discuss and reveal the information required by the Report.

Texpo is submitting the Attachments confidentially and under seal consistent with PUC PROC. R. 22.71. Please note that the disclosure of the Attachments, or any part thereof, would: 1) reveal Texpo's market share and details about Texpo's market served; 2) would reveal certain information that may give Texpo's competitors knowledge of Texpo's financial position/condition, which could be used to Texpo's substantial detriment in, among other situations, bidding situations and in responses to RFPs; and 3) could reveal Texpo's proprietary supplier arrangements, service arrangements and cost structure that would, among other things, reduce Texpo's competitive advantages. The Attachments are therefore highly confidential and protected from public disclosure, as described in Texas Government Code, Title 5, Chapter 552, Subchapter C, Section 552.104 and 552.110, and Texpo respectfully requests the confidential treatment of such information.
