ORDER APPROVING ERCOT REVISION REQUEST

This Order addresses a revision to one Electric Reliability Council of Texas (ERCOT) rule. The Commission approves the revision and accompanying market impact statement.

At its meeting on August 31, 2023, the ERCOT Board of Directors (Board) recommended Commission approval of various proposed revisions to the ERCOT rules, including Other Binding Document Revision Request (OBDRR) 047, *Revision to ERS Procurement Methodology regarding Unused Funds from Previous Terms*.

On August 31, 2023, ERCOT filed a request for the Commission to consider OBDRR 047 at the September 14, 2023 open meeting.

On August 31, 2023, ERCOT also filed a copy of its Board Report, which includes an ERCOT Market Impact Statement, and ERCOT Impact Analysis. These supporting ERCOT documents constitute the market impact analysis.

The Commission finds that this revision to the ERCOT rules is necessary for the proper functioning of the ERCOT market as demonstrated by the supporting material. The Commission issues the following order:

1. The Commission approves OBDRR 047 and accompanying market impact statement.
