**ORDER APPROVING ERCOT REVISION REQUEST**

This Order addresses one revision to Electric Reliability Council of Texas (ERCOT) rules. The Commission approves the revision and accompanying market impact statement.

On September 27, 2023, ERCOT filed an ERCOT Market Impact Statement for the following Alignment Revision Request:

The Commission finds that this revision to the ERCOT rules is necessary for the proper functioning of the ERCOT market as demonstrated by the supporting material. The Commission issues the following order:
