**PUBLIC UTILITY COMMISSION  
OF TEXAS**

### **ORDER APPROVING ERCOT ADMINSTRATIVE REVISION REQUEST**

This Order addresses an Administrative Revision Request to Electric Reliability Council of Texas (ERCOT) protocols. If no comments are submitted within ten business days of posting on ERCOT website, Administrative Revision Requests do not go through the stakeholder process, but still require Commission approval. The Commission approves this revision and accompanying market impact statement.

- Administrative Retail Market Guide Revision Request (RMGRR) 178, Administrative Change for Retail Market Guide – *Update CNP TDSP Contact Email Address*.

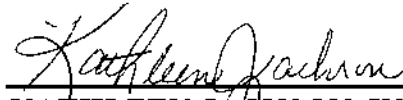

On December 12, 2023, ERCOT filed a Market Impact Statement. This supporting ERCOT document constitutes the market impact analysis. Commission Staff filed a memorandum on January 11, 2024, in which it recommends that the Commission approve this revision.

The Commission finds that this revision to the ERCOT protocols is necessary for the proper functioning of the ERCOT market as demonstrated by the supporting material. The Commission issues the following orders:

1. The Commission approves RMGRR178 and accompanying market impact statement.

Signed at Austin, Texas the 10<sup>th</sup> day of January 2024
