Dear Senators Zaffirini and Menendez:

Thank you for reaching out to the Public Utility Commission of Texas (PUC). We received your letter on July 23, 2024, regarding Nodal Protocol Revision Request (NPRR) 1224, and your concern over potential cost to Texas rate payers due to the price floor.

We appreciate your interest and concern about this important matter. Your letter has been shared with each of the Commissioners and filed in Project No. 54445 to ensure it is part of the public record.

Thank you,

A handwritten signature in black ink that reads "Connie Corona".
