**COMMISSION STAFF'S RECOMMENDATION ON SUFFICIENCY OF NOTICE**

On December 12, 2022, Orange County Water Control & Improvement District No. 1 (Lexington) (Orange County WCID No. 1) filed an application to amend Certificate of Convenience and Necessity (CCN) number 10115 in Orange County. On February 28, 2023, Orange County WCID No. 1 filed a supplemental brief to amend the application for a sale, merger, or transfer of facilities. On June 30, 2023, Commission Staff filed on behalf of itself and Orange County WCID No. 1, a recommendation for processing this docket as the sale, transfer, or merger of facilities and certificate rights and requested the application be restyled accordingly.

On June 14, 2024, the administrative law judge (ALJ) filed Order No. 14, directing the Staff (Staff) of the Public Utility Commission of Texas (Commission) to file a recommendation on sufficiency of notice by July 31, 2024. Therefore, this pleading is timely filed.

**I. SUFFICIENCY OF NOTICE**

Per Order No. 14, the deadline for Applicants to file with the Commission signed affidavits that the notice was given along with a copy of the notice and map sent to the affected parties was July 17, 2024. Applicants failed to make their filing deadline. Therefore, Staff recommends that the notice be deemed deficient. Staff has attempted to contact the Applicants regarding the failure to file the proof of notice but has been unable to conference with the Applicants. Because of the nature of this particular transaction and its history, Staff recommends that Applicants be ordered to file proof of notice by August 19, 2024, and that Staff be given a deadline of September 4, 2024, to file a recommendation on sufficiency of notice.

**II. CONCLUSION**

For the reasons detailed above, Staff recommends that the notice be deemed deficient, that Applicants be ordered to file proof of notice by August 19, 2024, and that Staff be given a deadline

of September 4, 2024, to file a recommendation on sufficiency of notice. Staff respectfully requests the entry of an order consistent with these recommendations.

Dated: July 31, 2024

Respectfully submitted,
