**ORDER NO. 2**  
**FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE, ESTABLISHING**  
**DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the sufficiency of the December 16, 2022 application of Forest Glen Utility Company to amend its sewer certificate of convenience and necessity number 21070 in Medina County.

On January 17, 2023, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

By February 17, 2023, petitioners must supplement the application to cure the deficiencies as described in the January 17, 2023 memoranda of David Lopez and Fred Bednarski, and Jaspinder Singh. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By March 17, 2023, Commission Staff must file supplemental recommendations regarding the administrative completeness of the application and the sufficiency of notice, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 18th day of January 2023.
