<b>APPLICATION OF FOREST GLEN</b>	<b>§</b>	<b>BEFORE THE</b>
<b>UTILITY COMPANY TO AMEND ITS</b>	<b>§</b>	
<b>CERTIFICATE OF CONVENIENCE</b>	<b>§</b>	<b>PUBLIC UTILITY COMMISSION</b>
<b>AND NECESSITY IN MEDINA</b>	<b>§</b>	
<b>COUNTY, TEXAS</b>	<b>§</b>	<b>OF TEXAS</b>

**JOINT EXCEPTIONS TO THE PROPOSED ORDER**

COME NOW Forest Glen Utility Company (Applicant or Forest Glen) and the Staff (Staff) of the Public Utility Commission of Texas (Commission) and file these Joint Exceptions to the Proposed Order, and in support thereof, would show the following:

**I. BACKGROUND**

On December 16, 2022, Forest Glen filed an application to amend its sewer certificate of convenience and necessity (CCN) No. 21070 in Medina County. On July 24, 2024, the Commission administrative law judge (ALJ) issued a Proposed Order with accompanying memo directing the parties to file any exceptions to the Proposed Order by August 7, 2024. Therefore, this pleading is timely filed.

**II. EXCEPTIONS TO THE PROPOSED ORDER**

Proposed Finding of Fact (FOF) No. 2 currently states that Forest Glen operates, maintains, and controls sewer facilities in “Bexas” and Medina Counties. Forest Glen has never operated or maintained and does not propose to operate and maintain any sewer utility facilities in Bexar County, only Medina County which is confirmed by all mapping in this docket including the tariff, mapping and certificate attached to the Proposed Order. Accordingly, the Parties except to the Proposed Order on this issue and recommend that the ALJ remove the reference to “Bexas” (which they also understand to be a typographical error) in FOF No. 2. Only the reference to Medina County should remain.

Additionally, FOF Nos. 3 and 29 also contain a typographical error. The TPDES Permit No. listed lacks one “0” and needs to be revised so that it is TPDES Permit No. WQ0015030001.

### **III. CONCLUSION**

The parties respectfully request that the Commission make the above-referenced changes to FOF Nos. 2, 3 and 29, and otherwise finalize and schedule the Proposed Order for final action by the Commission at its earliest opportunity.

Dated: August 6, 2024

Respectfully submitted,
