COMMISSION STAFF’S REQUEST FOR EXTENSION

I. INTRODUCTION

On January 4, 2023, CSWR-Texas Utility Operating Company, LLC (CSWR-Texas) and Valley Vista Homeowners Association, Inc. (Valley Vista) (collectively, the Applicants) filed an application for the sale, transfer, or merger of facilities and certificate rights in Uvalde County under the provisions of Texas Water Code § 13.301 and 16 Texas Administrative Code (TAC) § 24.239.

On February 7, 2023, the administrative law judge (ALJ) filed Order No. 2, directing the Staff (Staff) of the Public Utility Commission of Texas (Commission) to file comments on the administrative completeness of the application and proposed notice and propose a procedural schedule by March 6, 2023. Therefore, this pleading is timely filed.

II. REQUEST FOR EXTENSION

Pursuant to 16 TAC § 22.4(b), a party may request that the time allowed for the filing of any documents be extended for good cause. On February 21, 2023, CSWR-Texas filed a first supplement to the application, to address a discrepancy between the listed transferor, Valley Vista, and the entity that has the certificate rights, TB GP, LLC, as indicated on the tariff included as Attachment C to the application. Based on the supplement, Staff requires additional time to confer internally and request additional information from the Applicants to properly move forward with the application. As such, Staff respectfully requests an extension of time until April 5, 2023 to file comments on the administrative completeness of the application and proposed notice and propose a procedural schedule. The Applicants are not opposed to this request.

III. CONCLUSION

Staff respectfully requests the entry of an order extending Staff's deadline to April 5, 2023, to file comments on the administrative completeness of the application and proposed notice and propose a procedural schedule.

Date: March 3, 2023

Respectfully submitted,
