ORDER NO. 19
GRANTING GOOD CAUSE EXCEPTION TO FILE CONSENT FORM

This Order addresses the March 11, 2024 joint response to Order No. 17 requiring briefing as to the applicability of 16 Texas Administrative Code (TAC) § 24.239(p) to this proceeding. CSWR-Texas Utility Operating Company, LLC and Commission Staff contend that 16 TAC § 24.239(p) does not apply. Specifically, the parties state, while TB GP, LLC entered into the agreement regarding the transfer that is the subject of this proceeding despite having forfeited its existence, there is good cause to not now require TB GP, LLC to file a consent form. Rather, CSWR-Texas and Commission Staff recommend that Valley Vista Water’s consent to this proceeding and the final map is resolved through its executed consent form included with their joint response filed on March 11, 2024.

The administrative law judge grants CSWR-Texas and Commission Staff’s request and finds good cause, under 16 Texas Administrative Code § 22.5(b), to except to the requirement that TB GP, LLC file a signed consent form.

Signed at Austin, Texas the 27th day of March 2024.
