REQUIRING CLARIFICATION AND COMMISSION STAFF COMMENTS**

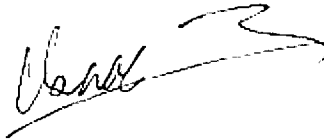

This Order addresses Commission Staff's February 10, 2023 recommendation on sufficiency and proposed notice of name change request, request to restyle the docket, and proposed procedural schedule.

The administrative law judge requires clarification on the following issues:

1. By February 17, 2023, Woodland Oaks Utility LP must clarify the name under which it has been conducting business since converting to a Texas limited partnership, e.g. whether Woodland Oaks Utility Company, Inc. or Woodland Oaks Utility, LP appears on customer bills; and
2. By February 17, 2023, Commission Staff must file comments on the feasibility of including notice of the proposed name change as follows: (1) as part of the notice of the application for approval of the sale, transfer, or merger of facilities and certificate rights; and (2) via bill insert or emailed notice, if customers have consented to receiving bills electronically.
