ORDER NO. 2
FINDING COMPLIANCE FILINGS SUFFICIENT AND CLOSING DOCKET

This Order addresses the compliance filings and status updates of the City of Lubbock, acting by and through Lubbock Power and Light (LP&L), and the Electric Reliability Council of Texas (ERCOT).

In ordering paragraph eight of the Commission's Order in Docket No. 53529¹ (the Commission's Order), LP&L was ordered to calculate and provide its four-coincident-peak (4CP) data to ERCOT and the Commission. In ordering paragraph 11, LP&L and ERCOT were ordered to provide updates or raise issues regarding the integration of LP&L's remaining load into ERCOT.

LP&L and ERCOT filed joint status reports on May 5, August 4, October 25, November 13, and December 8 and 12, 2023. LP&L filed its 2022 4CP data on November 27, 2023.

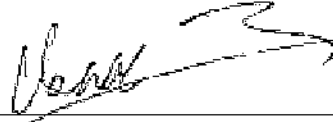

On January 8, 2024, Commission Staff filed recommendations regarding LP&L and ERCOT's compliance filings and closure of this docket.

The administrative law judge (ALJ) finds LP&L and ERCOT's compliance filings sufficient, and that the compliance obligations associated with the Commission's Order have been satisfied. Accordingly, the ALJ closes this docket.
