Re: *Docket No. 54553, Compliance Filing for Docket No. 53529 (Application of the City of Lubbock, acting by & Through Lubbock Power & Light, for Authority to Connect the Remaining Portion of its Load with the Electric Reliability Council of Texas & for Approval of an Agreement)*

Update concerning City of Lubbock's, acting by and through Lubbock Power & Light, integration of load

Dear Interim Chair and Commissioners:

Consistent with the Commission's order in Docket No. 53529,¹ Electric Reliability Council of Texas, Inc. (ERCOT) and the City of Lubbock, acting by and through Lubbock Power & Light (LP&L), file this letter to update the Commission regarding the integration of LP&L's remaining load into the ERCOT region.

Integration of LP&L's remaining load into the ERCOT region occurred in stages over December 9, 10, and 11, 2023, and was successfully completed at 9:46 AM CST on December 11. The load integration was accomplished by means of Distribution System-level switching, and LP&L personnel verified that air-gap open points between the Southwest Power Pool and ERCOT systems were maintained at each step of the switching process to ensure that no commingling occurred during the cutover. ERCOT is issuing a Market Notice to its stakeholders notifying them of the successful completion of the integration.

ERCOT and LP&L appreciate the opportunity to provide the Commission the foregoing update. Since LP&L's load has been successfully integrated into the ERCOT region, ERCOT's

obligation to provide updates regarding the integration of the remaining load under the Commission's order in Docket No. 53529 appears to be satisfied.² ERCOT and LP&L remain available to provide any additional updates or information as the Commission may direct.

Sincerely,

/s/ Kennedy R. Meier
