I own property owner in the area serviced by this proposed rate increase. This is an unreasonable amount of increase!

A 98% increase for the water rate for 5000 gallons!!!!!! Not to mention going from \$0 to \$37 for "Pass Through Charges".

As a retired Texas teacher who receives no Social Security, this kind of rate increase is unthinkable. That a

department of the state of Texas would even consider such a huge increase is appalling. My congressmen will hear from me.
