Re: RATEPAYER COMMENTS/REQUESTS TO INTERVENE

I am filing this, regarding the: RATEPAYER COMMENTS/REQUESTS TO INTERVENE due to the following reasons:

- 1.) We have been lumped into one large community, being all of CSWR's customers in Texas, not just our individual community. (This applies to the rate increase and said repairs needed.)
- 2.) Wastewater services are NOT necessary for our community, yet we would be penalized for those services as part of the requested rate increase.
- 3.) Our community has not been informed by CSWR on their plan of action for any improvements on our water system, or provided a timeline in which such work would be performed on OUR water system.
- 4.) CSWR has not performed a "test year" on our system, nor have they even owned our water system for a full year.
