Phone: 210-885-0827

Comments continued:

Other than this being an unreasonable
increase, this document oftates the
Woter Annual Revenue increase = \$195,091.00.
This form also states that 835 = 10% of the
rate payers, which means there are 2,350
rate payers, which means there are 2,350

Assuming all rate payer will pay the lowest rate (5,000 gallons), the monthly Bevenue increase would be (81.68-36.97=44.71 increase month x 12 months of the month x 12 months of 24.71 x 8360 = 43.73, 328.50 per month x 12 months.

What am I missing ???
