The person (Randal Murphy) who was designated by the ALJ to serve as our system's designated representative has indicated that he is unable to serve in that role. See attached I will serve as the designated representative for Lakeview Ranchettes. My meter location in the CSWR records is listed as 4361 Miller Rd.

Just confirming, are you aware you were designated by the judge to be the person who represents Lakeside Ranchettes in the case against Central States Water Company?

I was designated for Emerald Forest. They broke up the Carroll Water systems and each one can only be represented by one person. If you choose not to do it, somebody else has to be designated by tomorrow, with an official affidavit, or your neighborhood will not have representation. There may be other people in your neighborhood going to do it. Please let me know. You can text me at 361-945-9977 to get me quicker.
