Now Sirs
I am protesting because this is
an unreasonable price increase
to people on a fixed income. The
majority of residents in Quet Village
cannot afford the amount you are
proposing as they are retired.
Electricity, gas, and other expenses
are already too high. Some are living
on a minimal income.

The increase should be no more
than 10% to 20% above what we
are paying now. That would be
more affordable for the residents.
