RATEPAYER COMMENTS/  
REQUEST TO INTERVENE

I want to protest the rate increase due to its already high at the current rate of \$49.40 base charge and \$3.31 for every 1,000 gallons. The proposed rate increase of \$54.03 base charge and \$5.53 every 1,000 gallons would make it harder to continue having water which is a necessity. That's \$4.63 more each month just for base charge plus \$2.22 each 1000 gallons. That's ridiculously high. This company just purchased the water company from our previous company and right away is wanting to increase rates even though we are constantly having water outages and they take days to fix them.

Thanks.. Julio / Maria Verdinez
