## **Memorandum**

**TO:** Docket Management Division

**FROM:** James Kelsaw  
Customer Protection Division

**DATE:** February 7, 2023

**RE:** Project No. 54604, Application of Wolf Tank Storage LLC for a Power  
Generation Company Registration

---

### **RECOMMENDATION**

On January 30, 2023, Wolf Tank Storage Solar LLC (Wolf Tank Storage Solar) filed an application to register as a new power generation company (PGC) pursuant to 16 Texas Administrative Code (TAC) § 25.109. The unit being registered is a 150 MW battery storage facility.

After reviewing Wolf Tank Storage Solar's registration request, I have concluded that the applicant has satisfactorily completed the registration requirements under 16 TAC § 25.109(e) by providing a description of the location of the facility used to generate electricity; a description of the types of services provided by the person that pertain to the generation of electricity; and all information requested on the commission-prescribed form. Additionally, an oath or affirmation signed by an owner, partner, or officer of the registering party was included with the application as required by 16 TAC § 25.109(f).

Therefore, I recommend that the commission approve Wolf Tank Storage Solar's registration request, and commission records be revised to reflect the registration.
