**RE: SOAH Docket Number 473-24-04312; PUC Docket No. 54614;**  
***Application of El Paso Electric Company for Approval of Texas***  
***Electric Vehicle-Ready Pilot Programs***

Dear Parties:

On June 28, 2024, the undersigned Administrative Law Judges (ALJs) issued the Proposal for Decision (PFD) in this case recommending approval, with conditions, of the application of El Paso Electric Company (EPE) concerning its Electric Vehicle (EV)-Ready Pilot Programs. EPE filed exceptions to the PFD on August 1, 2024. The staff (Staff) of the Public Utility Commission of Texas (Commission) and the Office of the Public Utility Counsel (OPUC) filed exceptions on August 12, 2024. On August 19, 2024, EPE, OPUC, Staff, and intervenor ev.energy Corp. filed replies to the exceptions. The same day, non-parties Texas Electric School Bus Project and Vehicle-Grid Integration Council filed a joint letter to the Commissioners containing their replies to the exceptions.

Although well briefed, the exceptions raise issues that were fully considered and addressed in the PFD. Accordingly, the ALJs do not recommend any changes, and the PFD is ready for consideration.
