TO WHOM IT MAY CONCERN

REPLY TO TWU EXCEPTIONS TO PROPOSAL FOR DECISION

TWU seems to be making their own back door loop holes in Texas water codes for later use.

PUC needs to keep public interest and watch dog over business that produces or buys and sells water services to make profits only regardless of public needs or cost to the public.

I do not think Rate increases at this time will help the people, Profiteers only. I will not bore you with legal quotes or codes.

Thanks for your help. With concerns, Cecil Fairfax
