Docket No. 54617 – Application of Texas Water Utilities, L.P. and Southern Horizons Development, Inc. for Sale, Transfer, or Merger of Facilities and Certificate Rights in Liberty and Montgomery Counties

RE. Request for one week extension to procedural schedule

To the Commission:

Order No. 4 in this docket established a deadline of May 4, 2023 for Applicants to file with the Commission signed affidavits that the notice was given along with a copy of the notice and map sent to the affected parties. In compliance thereof, Texas Water Utilities, L.P. (“TWU”) has mailed out the provided notice to the customers, neighboring utilities, and cities identified in Commission Staff’s memo filed in this docket on April 5, 2023. TWU provided on April 26, 2023 proof that notice had been mailed to customers, neighboring utilities and cities on April 20, 2023. Note that there are no landowners of 25 acres or more wholly or partially within the transferred service area. TWU also contracted with the Houston Business Journal (“HBJ”), a newspaper of general circulation in Liberty and Montgomery Counties, to have the notice published on April 21st and April 28th. The notice was published on those dates; however, TWU has not yet obtained the affidavit of publishers notice from HBJ. Therefore, TWU requests the procedural schedule, as set forth in Order No. 4 in this docket, to be modified by one week as follows:

- May 4, 2023 - Deadline for the applicants to file with the Commission signed affidavits that the notice was given along with copies of the notice and map sent to the affected parties
 - Revised to May 11, 2023
- May 15, 2023 - Deadline for Commission Staff to file a recommendation on sufficiency of notice
 - Revised to May 22, 2023

TWU has conferred with Commission Staff and is authorized to represent that they are unopposed to this motion. Please contact me with any questions regarding this filing. Thank you.
