My name is Jeffrey Berry and I live at 21609 County Road 37492 Cleveland Texas 77327. With my contact information at the bottom, am writing to inform you that I object to the sell of Southern Horizons Development Inc water systems to Texas Water Utilities L.L.P.

The sell of the Water Systems to another company will increase the water bills of the homeowners drastically, some to the point of not being able to pay it. This will set many of the residents in Montgomery and Liberty counties in hard times and would not be able to supply their families with much needed water for drinking and bathing.

It is my request that you not approve this sell.

Thank You

Jeffrey Berry
