PARKVIEW WATER SUPPLY REQUEST FOR AN EXTENSION

COMES NOW, Parkview Water Supply (Applicant) files this Request for Extension and would show the following:

I. BACKGROUND

Applicant filed an application for a class D rate adjustment on February 14, 2021. On March 8, 2023, Commission Staff filed a copy of a 10-day letter to Parkview describing deficiencies in the application and the information needed to cure the deficiencies. Thereafter, Parkview failed to respond and the administrative law judge (ALG) issued Order No. 2 requiring Parkview to cure deficiencies by April 10, 2023.

II. REQUEST FOR EXTENSION

Pursuant to 16 Texas Administrative Code (TAC) § 22.4(b), Applicant may request that the time allowed for filing any documents be extended for good cause. Currently, the ALG Order No. 2 requires Applicant to cure its application by Monday, April 10, 2023. Applicant notified legal counsel of the application and need to cure deficiencies on March 28, 2023. Thereafter, legal counsel contacted Commission Staff and confirmed Commission Staff would not be opposed to an extension of time. Further, Monday, April 10, 2023 is a holiday for many. Therefore, Applicant respectfully requests an extension to cure deficiencies to April 27, 2023.

III. CONCLUSION

Applicant respectfully requests the issuance of an order granting Applicant's request and extending the deadline for Applicant to cure the deficiencies to April 27, 2023.

Dated: April 6, 2023
