FRANKSTON RURAL WATER SUPPLY CORPORATION:

## EFFECTIVE JANUARY 1, 2022 RATE SHEET

For more information or support visit [www.FrankstonWater.com](http://www.FrankstonWater.com) OR call 903-805-0603.

### TWO WAYS TO MAKE WATER PAYMENT:

1. Deliver, in person, the deposit slip with payment to the Frankston Austin Bank. It must be the Austin Bank in Frankston and not any other Austin Bank branch.
  2. OR, mail deposit slip and payment to Austin Bank, PO BOX 277, Frankston, TX 7563.
- Please do not deliver payment to the Frankston Rural Water office as it will not be recorded as a deposit at the bank. We sure do appreciate everyone's cooperation and we appreciate you!

### WHEN RECORDING WATER USAGE:

Round UP or DOWN to the nearest hundred [00] for all meter readings. For example: If the meter reading is 0002350 or higher, then write down: 0002400. If the meter reading shows 0002340 or lower, then record it as 0002300. Whether rounding up OR down, there should ALWAYS be 00 at the end of ALL recorded readings. All meters have a non-moving final 0 (zero). This non-moving ZERO is part of the 00 mentioned above. Also: please record any leading ZERO's. If any. For example: If the meter reads 0000130, then write 0000100 on deposit slips. Thank you!

**EFFECTIVE FEBRUARY 1, 2023 RATE SHEET**

For more information or support visit [www.FrankstonRuralWater.com](http://www.FrankstonRuralWater.com) OR call 903-805-0603.

**TWO WAYS TO MAKE WATER PAYMENT:**

1. Deliver, in person, the deposit slip with payment to the Frankston Austin Bank. It must be the Austin Bank in Frankston and not any other Austin Bank branch.
2. OR, mail deposit slip and payment to Austin Bank, PO BOX 277, Frankston, T 75763.

Please do not deliver payment to the Frankston Rural Water office as it will not be recorded as a deposit at the bank. We sure do appreciate everyone's cooperation and we appreciate you!

**WHEN RECORDING WATER USAGE:**

Round UP or DOWN to the nearest hundred [00] for all meter readings. For example: If the meter reading is 0002350 or higher, then write down: 0002400. If the meter reading shows 0002340 or lower, then record it as 0002300. Whether rounding up OR down, there should ALWAYS be 00 at the end of ALL recorded readings. All meters have a non-moving final 0 (zero). This non-moving ZERO is part of the 00 mentioned above. Also: please record any leading ZERO's, if any. For example: If the meter reads 0000130, then write 0000100 on deposit slips. Thank you!

Monthly meter base rates: Residential 1 inch = \$23.00 :: Commercial 1 inch = \$57.50 :: Commercial 2 inch = \$184.00
