has submitted an application with the Public Utility Commission of Texas (Commission) to obtain a CCN, purchase a portion of the water facilities, and to transfer water certificated service area under CCN No. 11155 in Eastland County, TX from:

Staff WSC	P.O. Box 421	Ranger, TX	76470
(Seller's Name)	(Address)	(City), (State)	(Zip Code)

The sale is scheduled to take place if approved by the Commission (Texas Water Code § 13.301). The transaction and the transfer of the CCN includes the following:

Requested Area – North (CCN facility line plus two hundred feet):

The **requested area – north**, is located approximately 3.75 mile(s) northeast of downtown Carbon, Texas, and is generally bounded on the north by County Road 305; on the east by County Road 298; on the south by Farm to Market 2563; and on the west by State Highway 6.

The **requested area – north** includes approximately 426.6 acres, comprised of transferred area from Staff WSC (CCN No. 11155) to City of Carbon with the issuance of a new water CCN number.

Requested Area – South (CCN facility line plus two hundred feet):

The **requested area – south**, is located approximately 0.45 mile(s) northeast of downtown Carbon, Texas, and is generally bounded on the north by County Road 300; on the east by Farm to Market 2689; on the south by State Highway 6; and on the west by the intersection of West Asphalt Road and 4th Street.

The **requested area – south** includes approximately 764.2 acres, comprised of transferred area from Staff WSC (CCN No. 11155) to City of Carbon with the issuance of a new water CCN number.

The **total requested area** includes 92 customer connections, approximately 1,190.8 acres, comprised of transferred area from Staff WSC (CCN No. 11155) to City of Carbon with the issuance of a new water CCN number.

The application proposes the subtraction of approximately 1,190.8 acres from CCN No. 11155 and the addition of approximately 1,190.8 acres to City of Carbon and the issuance of a new water CCN number.

See enclosed maps showing the requested area.

This transaction will not have an effect on the current customer's rates and services.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date. The letter must include the person's name, address, email address and fax number if applicable.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

(Purchaser's Name) (Address) (City), (State) (Zip Code)

has submitted an application with the Public Utility Commission of Texas (Commission) to obtain a CCN, purchase a portion of the water facilities, and to transfer water certificated service area under CCN No. 11155 in Eastland County, TX from:

Staff WSC P.O. Box 421 Ranger, TX 76470
(Seller's Name) (Address) (City), (State) (Zip Code)

The sale is scheduled to take place if approved by the Commission (Texas Water Code § 13.301). The transaction and the transfer of the CCN includes the following:

Requested Area – North (CCN facility line plus two hundred feet):

The **requested area – north**, is located approximately 3.75 mile(s) northeast of downtown Carbon, Texas, and is generally bounded on the north by County Road 305; on the east by County Road 298; on the south by Farm to Market 2563; and on the west by State Highway 6.

The **requested area – north** includes approximately 426.6 acres, comprised of transferred area from Staff WSC (CCN No. 11155) to City of Carbon with the issuance of a new water CCN number.

Requested Area – South (CCN facility line plus two hundred feet):

The **requested area – south**, is located approximately 0.45 mile(s) northeast of downtown Carbon, Texas, and is generally bounded on the north by County Road 300; on the east by Farm to Market 2689; on the south by State Highway 6; and on the west by the intersection of West Asphalt Road and 4th Street.

The **requested area – south** includes approximately 764.2 acres, comprised of transferred area from Staff WSC (CCN No. 11155) to City of Carbon with the issuance of a new water CCN number.

The **total requested area** includes 92 customer connections, approximately 1,190.8 acres, comprised of transferred area from Staff WSC (CCN No. 11155) to City of Carbon with the issuance of a new water CCN number.

The application proposes the subtraction of approximately 1,190.8 acres from CCN No. 11155 and the addition of approximately 1,190.8 acres to City of Carbon and the issuance of a new water CCN number.

See enclosed maps showing the requested area.

This transaction will not have an effect on the current customer's rates and services.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date. The letter must include the person's name, address, email address and fax number if applicable.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.
