**ORDER NO. 10  
DENYING REQUEST FOR EXTENSION**

This Order addresses the City of Donna's May 10, 2024 request to extend the time to comply with the requirements of the Texas Water Code (TWC) § 13.257(r) and (s). Donna states that additional time is needed to complete an accurate boundary description of its service area.

The administrative law judge denies Donna's request for extension. The deadline established in TWC § 13.257(s) is statutorily mandated and requires Donna to complete the filing not later than 31 days after the date it receives final approval of its application for the amendment that is the subject of this proceeding. Should additional assistance be needed for Donna to complete its directive, it may wish to seek Commission Staff's assistance.

Additionally, Donna's May 10, 2024 filing indicates that it has not completed an accurate boundary description of its service area. If Donna finds a discrepancy between the description and the service area approved in this docket, Donna must file a new application to amend its certificate of convenience and necessity to reconcile the difference.
