APPLICATION OF THE CITY OF	§	PUBLIC UTILITY COMMISSION
DONNA TO AMEND ITS	§	
CERTIFICATE OF CONVENIENCE	§	OF TEXAS
AND NECESSITY IN HIDALGO	§	
COUNTY	§	

ORDER NO. 3
FINDING APPLICATION REMAINS ADMINISTRATIVELY INCOMPLETE,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the sufficiency of the March 31, 2023 application of the City of Donna to amend its certificate of convenience and necessity (CCN) number 20825 in Hidalgo County. On June 7, 2023, Donna supplemented the application.

On July 5, 2023, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge finds the application remains administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

By August 1, 2023, the applicant must supplement the application to cure the deficiencies described in the July 1, 2023 memorandum of Chase Lipscomb, attached to Commission Staff's July 5, 2023 recommendation. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By September 5, 2023, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the supplemented application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 6th day of July 2023.
