APPLICATION OF INTEGRA WATER	§	BEFORE THE STATE OFFICE
TEXAS, LLC FOR AUTHORITY TO	§	OF
CHANGE RATES	§	ADMINISTRATIVE HEARINGS

**AGREED MOTION TO ABATE THE
PROCEDURAL SCHEDULE**

TO THE HONORABLE ADMINISTRATIVE LAW JUDGE:

COMES NOW, Integra Water Texas, LLC (Integra), with the consent and approval of the Office of Public Utility Counsel and the Staff of the Public Utility Commission of Texas (collectively, Parties), and files this Agreed Motion to Abate the Procedural Schedule (Agreed Motion). In support of this Agreed Motion, Parties show the following:

I. AGREED MOTION

The Parties convened on January 10, 2023 to discuss settlement. Two intervening parties, Deila Cruz and Emma Delao, were notified of the settlement conference but did not participate. The Parties made progress at the settlement conference and are hopeful they will soon reach settlement. However, the Parties require additional time to finalize settlement and resolve all issues in the proceeding.

Therefore, the Parties request that Your Honor abate the procedural schedule for three weeks to provide additional time for settlement discussion. If granted, abatement would establish Wednesday, February 7, 2024 as Integra’s deadline to file direct testimony. The Parties further request that Your Honor allow the Parties to file a status report on January 31, 2024 with an update on settlement discussions. If settlement discussions are productive and direct testimony is unnecessary, the status report would request additional abatement. Otherwise, the status report would notify Your Honor that Integra will proceed with direct testimony.

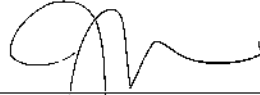

II. REQUEST FOR RELIEF

The Parties request that the Administrative Law Judge suspend all proceedings in this docket and enter an order abating the procedural schedule for three weeks establishing January 31, 2024 as the Parties deadline to file a settlement status report and February 7, 2024 as Integra’s deadline to file direct testimony.

Respectfully submitted,
