**ORDER NO. 13**  
**SOLICITING CORRECTED TARIFF AND MOTION TO ADMIT EVIDENCE**

On March 6, 2024, Emerald Hills Water filed its response to Order No. 10 requiring clarification. Commission Staff relied on this filing in its April 1, 2024 response. However, the March 6, 2024 filing was not included in a motion to admit evidence.

Additionally, the proposed tariff currently states the tariff is effective in a system named “Emerald Hills Water.” However, the Texas Commission of Environmental Quality lists the name of the public water system at issue in this proceeding as “Emerald Hills RV Park.”

On or before May 13, 2024, the parties must file the following: (a) a corrected proposed tariff revising the name of the public water system affected by the tariff or a clarification explaining any change in the name of the public water system and (b) a joint motion to admit the March 6, 2024 filing of Emerald Hills and the corrected proposed tariff into evidence.

**Signed at Austin, Texas on the 29<sup>th</sup> day of April 2024.**
