**NORTHAMPTON MUNICIPAL UTILITY DISTRICT’S
STATEMENT OF CONFIDENTIALITY**

The undersigned attorneys for Northampton Municipal Utility District (the “District”) hereby submit this statement under Section 4 of the protective order entered in this case.

The District has designated as Highly Sensitive Protected Material a certain document and information contained in its responses to the Third Request for Information (“RFI”) propounded by Staff of the Public Utility Commission of Texas (“Staff”). The District considers the information identified in the attachment to Staff RFI 3-15 to be Highly Sensitive and exempt from disclosure under the Public Information Act because it contains specific compensation amounts associated with specific employees of the District and because disclosing such information would cause competitive harm to the District because it would allow competitors to know how the District compensates its employees, which could then be used against the District. The undersigned counsel for the District has reviewed the foregoing material sufficiently to state in good faith that the information contained therein is Highly Sensitive for at least the reasons stated above.

Respectfully submitted,

/s/Evan D. Johnson
