**Filing Date - 2023-10-30 01:26:11 PM**

**Control Number - 55028**

**Item Number - 14**

To whom it may concern,

Please see the attached correction made to our exempt utility form application for Driftwood Water Conservation, LLC. There was a misunderstanding in August on the forms, and we want to be clear that we have 0 active connections at this time with a potential to have up to 15 potential connections. Our development is not yet built so there is no one to supply water to at this time.

Please feel free to reach out with any questions
