AN EXEMPT UTILITY	§	OF TEXAS

ORDER NO. 6
FINDING NOTICE SUFFICIENT AND SETTING PROCEDURAL SCHEDULE

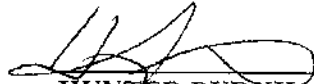

This Order addresses Commission Staff's recommendation on sufficiency of notice filed on November 21, 2023. On September 12, 2023, Driftwood Water Conservation, LLC provided copies of the notice forms sent to all existing customers. On October 30, 2023, Driftwood filed an updated exempt utility registration form stating that there are currently zero active customer connections with a potential to have a maximum of fifteen customer connections once the area is developed.

The administrative law judge (ALJ) finds the notice sufficient. The ALJ adopts the following procedural schedule:

Deadline for the applicant to file consent forms with the Commission	December 27, 2023

Deadline for applicant to respond to Commission Staff's recommendation or request a hearing	January 17, 2024
If no disputed issues, deadline for parties to file a joint proposed notice of approval, including findings of fact, conclusions of law, and ordering paragraphs	January 24, 2024
