ORDER NO. 3
FINDING APPLICATION ADMINISTRATIVELY INCOMPLETE AND
ESTABLISHING OPPORTUNITY TO CURE

This Order addresses the May 25, 2023 application of the City of Fort Worth to amend its certificate of convenience and necessity number 12311 and for dual certification with the City of Hurst in Tarrant County.

On August 25, 2023, Commission Staff filed a recommendation regarding the sufficiency of the application.

The administrative law judge finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider the application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

By September 25, 2023, the applicant must supplement the application to cure the deficiencies as described in the August 25, 2023 memorandum of Jaspinder Singh, attached to Commission Staff's recommendation. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is found administratively complete.

By October 25, 2023, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 28th day of August 2023.
