**I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:**

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

**Please check one of the following:**

☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐ One or more of the utility's proposed routes would cross my property.

☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. We are

strongly opposing the C8 & E5 segments as they  
would directly and adversely affect our property, its  
views, and its value. We paid a lot premium for a greenbelt  
lot and we utilize the green space daily for walking  
and walking our dogs. We will certainly lose  
value if C8 & E5 segments are chosen. Please don't!
