Please check one of the following:

- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. I am

in protest against the installation of electrical lines through our community. We believe that this proposed project will have detrimental consequences on our property values, posing safety hazards due to potential health risk linked to cancer from high voltage transmission lines. We urge authorities to reconsider this decision and explore alternative routes that prioritize the well being of my family.
