**Please check one of the following:**

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

We own property next to E5 route and would be directly impacted by this location. We are opposed to E5, and C7, C8, C9 which will impact our natural habitats and entire canyon fills community. This community was designed to be natural & green without the addition of power lines intrusive to the wild animals and premium lots locations. I am advocating to replace E5 with C6 to follow along 1171 with less residential impacts.
