Please check one of the following:

☐

I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐

One or more of the utility's proposed routes would cross my property.

☒

Other. Please describe and provide comments. You may attach a separate page, if necessary. As a resident

and an avid user of the trail system within the community
I am protesting the C7 section through the community
This would cause harm to the environment, including
habitat loss, wildlife loss and displacement, and trail loss.
Please consider using the route following FM 1171, C6,
as this would preserve the environment and trails
