**I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:**

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

**Please check one of the following:**

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

I oppose lines C7, C8, C9, E5, E3, E2, E8 going through the greenbelts because I walk my dog through these areas daily. I walk/hike through all of these with my friends/kids. I pay for the amenities in these areas to be safe and healthy and aesthetically pleasing. These lines will be a detriment to our health and the value of my property and my ability to sell my property in the future.

**Signature of person submitting comments:**

I also utilize our pools and pay extra for these things that I enjoy on a daily basis and this would greatly impact that.

Instead, please reroute the **lines** to either follow 1171 or use the army ~~camp~~ corps route and avoid our neighborhood, ~~everyone's~~ or anyone's neighborhood, all together.
