I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

These transmission lines would devalue my home.
I bought this home because of the greenbelt

beauty that this community gives. There are many wild life as well as natural trees and plants that would be devastated by running the transmission lines in our community. Please consider moving the transmission line to the requesting C6 area which follows 1171. This would keep our community flowing with greenspace for the community to continue to enjoy the beauty.

Thank you for your consideration.
