Comments on Docket No. 55067

I am protesting Oncor's recommendation of routes C7 and C8. I paid a premium for a home in sight of the green belt with ready access to a trail and wooded area in the watershed. I am concerned that the environmental habitat that was intentionally preserved as part of our community will be damaged or lost. I am also concerned about a loss of home value due to proximity of power lines for future sale. I request consideration of route C6 which follows Highway 1171 instead. Thank you.
