I am protesting the C7, E8, and F3 lines. The E8 line runs near my home, and I am concerned about the potential loss of value due to proximity.

I am also concerned about any unknown potential health concerns that could arise in the area due to these lines.

The C7 and F3 lines both run through wild life areas and will undoubtedly impact the habitat for those areas. One of the main reasons my family settled here was because

the access to wildlife areas in our urban environment. These lines will fundamentally change the appeal of our neighborhood.
